Sir,

I have the honour to state that with a view to effect a reduction of the Board's expenditure which has exceeded its normal income it was proposed to reduce the fixed travelling allowance allowed to the Range Sanitary Inspectors from Rs 35/- to Rs 25/- and to do away with the temporary peon on Rs 10/- attached to them. This proposal was considered by the Standing Committee and the District Board at their meetings held on the 21st and 22nd January 1931 respectively and the Board resolved that the fixed travelling allowance may be reduced from Rs 35/- to 25/- but that the peons attached to the Sanitary Inspectors may be retained. A copy of the resolution of the Board is enclosed for perusal. I request that sanction of Government to the Board's proposal may kindly be obtained.

Sir,

Adverting to your letter No. L. 7884-90 L.B. 30-30-81
dated 25th March 1931 requesting me to report to Government if the
Board are agreeable to reduce the travelling allowance paid to
the Sanitary Inspectors as has been done by the Tumkur District
Board. I have the honour to state that the Sanitary Inspectors in
this District are each placed in charge of two Taluks and paid a
pony allowance of Rs. 20/- per mensem together with the travelling
allowances admissible to them under the Mysore Service Regulation
and not a fixed travelling allowance of Rs. 35/-. This procedure was
found by experience rather prohibitiveky costly to the Board, --
particularly during the epidemic season when their constant --
knocking about from place to place within their respective jurisdic-
tion was inevitable. The expenditure under this head having far -
exceeded all anticipations within a course of only six months from
July last travelling allowance had to be denied to them and some
other feasible arrangement made to made the situation. All the
Sanitary Inspectors were therefore consulted in the matter and
when the question was explained to them, they agreed after some
persuasion to accept Rs. 35/- as a consolidated travelling --
allowance in lieu of all other kinds of allowances and this --
arrangement has been indirectly brought into practice from February
last by allowng Rs. 20/- their pony allowance and limiting the

the payment of of travelling allowance to Rs. 12/- in addition to whatever higher sum each of them claims to be.

Since this restriction was found most economical it was placed before the Standing Committee of the Board an examination with a view to suggest measures of these officers. After a thorough -- examination of the question, the members of the Standing Committee considered the question keeping in their view at the same time the large area entrusted to each of the Sanitary Inspectors as well as the local disabilities to their itineration which are peculiarly different in this Malnad District where there are no communications and conveyances to the interior rural areas and unanimously recommended -- however as a measure of economy -- that a permanent monthly travelling allowance of Rs. 35/- per month be sanctioned to each of them in lieu of all -- allowances, now paid to them, although they hesitated that this decision of theirs seemed to work hard on these officers particularly when they are put in charge of two Taluk each. When this resolution was placed for the acceptance by the Board, it was after a good deal of discussions finally resolved that the recommendation of the Standing Committee be approved.

In forwarding herewith a copy of the resolution of the Board, I beg to recommend that sanction of Government may kindly be accorded to the resolution of the Board for the payment of monthly travelling allowance at Rs. 35/- per month as the bare minimum to each of the Sanitary Inspectors in this District in lieu of both the pony allowance and the travelling allowances admissible to them by rules as it has been found most economical and in keeping with the areas assigned to them.

Considering the large area assigned to each of them and the travelling difficulties obtainable in this District, I am of opinion that the Sanitary Inspectors should be paid a permanent monthly travelling allowance of Rs. 35/- and that this amount fixed by the Board as the bare minimum does not admit of any reduction.

Necessary provision has accordingly been made in the current

year's

29

year's Budget and I therefore solicit early orders of Government in the matter.

I have the honour to be,

Your most obedient servant,

Ellis Hughes
